Glenna Burns was crowned Queen of the 1966 Antioch High School Prom Saturday night. Fred Gras was King. The royal couple are shown here with their court and the two youngsters who were the "mock" King and Queen.

Glenna Burns Is 1966 Prom Queen

The climax of the Antioch High School Junior-Senior prom came with the announcement that Glenna Burns had been chosen Queen.

The Queen candidates and their escorts entered the glamorously decorated gym at 10:30, each couple pausing on the rustic bridge at the entrance to be introduced. Two children, Cheryl and Keith Brodie, joined the Court for the crowning ceremonies. Nominees for the Queen, in addition to Glenna Burns, were Judy Furlan, Sally Minnick, Pat Prossie and Sue Toben. Escorts for the candidates were Jim Litchfield, Jeff Pachay, Tyrone Walls, William Sheldon and Don Zeeman. Fred Gras, president of the Junior class, was King.

The gym was decorated in a "Blue Hawaii" theme. Music was provided by the Top Hatters. Glenna is the daughter of Mr. and Mrs. Robert Burns, 401 Winsor Drive, Antioch.

ACHS Panel Wins Quiz

By Bernice Bernau

Antioch High School students Joanne Stephens, Dave Chandler and Roger Kovacyn appeared on the TV program, "It's Academic," last Saturday evening, competing with students from St. Patrick High School and Lockport Central High School.

Antioch and St. Pat's were tied almost all through the program, but Antioch ended up with a score of 350 at the end of the final round. They won a \$100.00 savings bond for their school.

School Boards To Consider Federal Aid
Members of the Lake County School Board Association will hear Dr. John A. Howard, president of Rockford College, discuss "Some Thoughts on Caution in the Use of Federal Subsidy for Education."

The meeting of school board members and administrators will start at 8 p.m. Thursday, May 26 at Grayslake High School.

ELECTED OFFICER OF FRATERNITY

Edward Matejka, son of Mr. and Mrs. John Matejka, Rte. 3, Antioch, was recently elected athletic chairman of Iota Phi Lambda fraternity at Carroll College.

Driver Test Station To Be Open Sat.

The Driver License Examining Station at Libertyville will be open Saturday from 8 a.m. to noon starting May 21. Secretary of State Paul Powell has announced that stations in 58 Illinois communities will start the Saturday schedule on that date.

"The new work schedule is an effort to accommodate those persons who would experience extreme inconvenience by having to take their driver license examinations during normal working hours on weekdays," Sec. Powell said.

"It is definitely not an invitation to everyone to wait until Saturday to take the driver license examination, and if the public abuses this new work schedule to the point where good service becomes an impossibility, it may be necessary to revert to the weekdays-only schedule," Mr. Powell said.

Powell pointed out that previous experience with Saturday schedules has shown that there were so many applicants that long delays were inevitable.

He also advised persons taking the tests not to bring young children with them, because of the danger to them and others.

How's Your Defense

How good a driver are you? The Lake County Safety Commission suggests that you check your Defensive Driving ability by taking the National Driver's Test on Channel 2 at 9 p.m. May 24.

Over fifty million persons watched the first National Driver's Test on TV last year. The test is a True or False, Yes or No and multiple choice test. If you aren't satisfied with your score, the Safety Commission suggests you take the National Safety Council's Defensive Driving Course.

The course, of eight hours' duration, is offered on Sunday afternoons at the Lake County Safety Commission's office in Libertyville. Call 362-0470 for more information.

Army Field Band To Perform At Waukegan-H.S.

The U. S. Army Field Band of Washington, D. C., will present a free public concert at 8 p.m. Friday, May 20 at West Campus High School in Waukegan.

The concert is being co-ordinated locally by Sgt. Don Kreiser, Army Recruiter, in conjunction with the Department of the Army.

Rescues Boy From Petite Lake Channel

The 4-year-old grandson of a Petite Lake couple was rescued from the channel near their home by a nearby fisherman recently.

Billy Cozart, 4, of Chicago, was visiting at the home of his grandparents, Mr. and Mrs. Walter Hanson. He and another small boy from the neighborhood wandered out onto a neighbor's pier, and Billy fell in the water.

Billy's companion ran to the Hanson home and told Billy's parents, who rushed from the house as Ira Barham, Niles, carried the boy to the house.

Barham, fishing from the B-Z-B Boat House across the channel, had seen the boy fall in, jumped into the water and swam across the channel. He pulled him from the water and carried him to shore. Only the boy's hands were showing when Barham reached him.

Expansions-Alterations

Antioch business is on the upswing, and local stores and businesses are popping their seams.

Businesses are expanding, moving and building at such a pace that it's difficult to keep up with the latest changes. Latest in the list of expansions are the Jewel Tea, Meyer's Paint Store and Wilton Electric. And down in Industrial Acres Frostee Sno is putting on a sizeable addition.

Jewel Tea Co. on Lake St. has been working on their expansion and remodeling project since last winter and its nearing completion. Their Grand Re-Opening will be Tuesday, May 24. "You might

Mayor Ray Toft appealed to Main St. Merchants to turn out in force tonight (Thursday) to help clean up the new parking area behind the Main St. stores.

Mayor Toft said that he, several members of the village board and members of the village public works department will be there at 6 p.m. with machinery to start the clean-up work. Lots of hands will be needed. Everybody's welcome and all help will be appreciated.

Recovering After Accident Injuries

Mrs. Charlotte Savage, formerly Charlotte Ten Bruin of Antioch, is convalescing at home after a month in two hospitals following an automobile accident. Mrs. Savage is the cheery blonde who presided over the Jewel Tea party department before her injuries.

Mrs. Savage and her husband started on a vacation trip April 2, and were injured April 3. The accident happened near Fairchild, Wis. Mrs. Savage said she took to the shoulder of the road to avoid hitting some women and the car somersaulted down an 8 foot embankment.

Mrs. Savage suffered internal injuries a fractured disc and misplaced vertebrae. Her husband had slight injuries. They were taken to Luther Hospital in Eau Claire. After 14 days, Charlotte was moved to Victory Memorial in Waukegan and remained there until May 11.

Mrs. Savage said a passing truck driver, Gene Pundt of Paris, Ill., called help and stayed with them until the ambulance came.

Twenty-five per cent of the families in the U. S. own two or more cars.

Treasure Chest Draws To Successful Close

Despite the rain and bad weather that prevailed for the last few days of the Treasure Chest Hunt in Antioch, most merchants felt the promotion was a success in bringing a great many shoppers into town.

John Romer, president of the Chamber of Commerce, found himself swamped with paper work in trying to keep up with the lists of prize winners in the Chamber's drawings. More than 1,500 names were drawn. All winners are now posted on the window of the Romer Insurance Agency on Lake St. Mr. Romer asks that winners claim their prizes as soon as possible so that his office can get back to their regular work.

In addition to the prizes won in drawings, many people won prizes by opening chests in stores. Several people were multiple winners, having their name drawn several times.

Some of the winners of

larger prizes were Jean Knigge, Filweber Court, who won the 20-piece china set from Pickard China; Art Doty, a drill; Mrs. John Delany, a sander; and Chester Golonka, an electric percolator from Wilton Electric.

\$1,000 For Mental Health

Mrs. Robert Lubkeman, Antioch chairman of the Mental Health Ball in Antioch last month, presented a check for \$1,000 to Dr. Valerija B. Raulinaitis, the president of the Lake County Mental Health Society, at a dinner in Waukegan May 4.

The money was the proceeds from the Cotillion-A-Go-Go, this year's Mental Health ball. The ball was sponsored by the Antioch Woman's Club.

Mrs. Robert Lubkeman presented a check for \$1,000, the proceeds of the Cotillion-A-Go-Go, to Dr. Valerija B. Raulinaitis, president of the Lake County Mental Health Society, at a dinner in Waukegan recently.

More Parking For Main St. Stores

A parking lot for customers of Main St. stores finally neared reality Tuesday night, as the last property-owner signed a five-year lease of his property with the village at the board meeting.

Charles Keulman asked for some assurance from the board that there would be provision for trucks to unload at the rear of his store. As the lease stood, he pointed out, he was leasing the property to the village for a five-year span "for a public parking lot." Should a future board wish, they could block the driveway to the rear entrance, he said.

After some discussion, the board passed a resolution that Keulman's lease, and all the others that involve the parking lot, would be approved subject to the amendment that the board will make some provision for loading and unloading when definite parking area are laid out. Keulman then signed the lease, and the board approved it.

Mayor Raymond Toft announced that eight leases were involved to provide the parking area. Only one is still unsigned, a lease with Mrs. John Brogan, and Mayor Toft said he had been assured that he would soon receive that one.

The board approved the remaining leases, with Charles Cernak, Donald Gibbs, Russell Barnstable, Morris H. Radke, Robert J. Wilton and Walter Koziol. All of the leases were for a period of five years, at \$1 a year.

The final lease, with Dr. Albert A. Bucar, involving the largest portion of land, was approved at \$70 a month for the five-year period.

Members of the village board and Main St. merchants will start working to clear the lot Thursday evening at 6 p.m. An old garage will be removed, and 2 stalls from the garage of the V&S Hardware Store. A road will be opened

from Lake St. to the lot, providing a roadway through from Broadway to Lake.

Mayor Toft said he wanted to thank Irving Walsh, Bob Wilton and Vern Barnstable for the hours of work they had put in securing leases, etc., in arrangements for the parking lot.

SEWER BIDS

Bids on both the Anita St. and Industrial Acres sewers were opened. Specifications called for bids on two alternate types of installation, bids on the Anita St. installation presented were from George W. Kennedy Construction, \$34,993 and \$37,621; E. Robinson Construction Co., \$33,827; J. R. Myers, \$28,406.12 and \$27,826.32; William Ziegler & Sons, \$26,351 and \$29,072.

Bids on the southeast Industrial area, for water and sewer, included M & S Construction, Geneva, Ill., \$24,966.75; George W. Kennedy Construction, \$27,919.90; E. Robinson Construction, \$28,822.30; J. R. Myers, \$27,467.45, and William Ziegler & Sons, \$28,795.

Chairman of the Sewer & Water committee David Nissen asked for a week to study the bids. The bids will be granted at 8 p.m. Tuesday, May 24.

The VFW asked permission to hold a parade on Memorial Day and the request was approved.

Mayor Toft announced that installation of warning lights and signals at the Ida St. crossing had been approved by the Interstate Commerce Commission. The railroad will maintain the lights. The village contribution to the project will not exceed 20% of the total cost. Total estimated cost is about \$10,000.

Permission was given for a teen-age march against leukemia in the village on September 17 and 18, requested by St. Jude's Children's Research Hospital.

The board approved an ordinance setting a new schedule of building fees. Cost of permits on all types of construction has been raised. The ordinance is published elsewhere in this paper.

Mayor Toft announced additional appointments for the coming year, and they were approved by the board. E. J. Storey was appointed as building commissioner at \$1,200 a year; Walter Delaney, plumbing, heating and electrical inspector, to receive 75% of permit fees; Dr. J. Kopriwa, Health Officer, and Ed Frazier, Civil Defense Director.

The Mayor also appointed committees for the next year: Finance & Audit, D. Nissen, R. Wilton, and L. Walsh; Insurance, D. Nissen, I. Walsh and R. Wilton; Printing and Publishing, R. Williams, D. Nissen and A. Meierdick; Sewer and Water, D. Nissen, R. Williams, V. Barnstable; Public Buildings & Grounds, R. Williams, R. Wilton, A. Meierdick; Salaries, I. Walsh, R. Wilton and A. Meierdick; Police, A. Meierdick, V. Barnstable and R. Williams; Civil Defense, V. Barnstable, D. Nissen and R. Williams. The sidewalk committee was left intact, with Vern Barnstable chairman.

Barnstable reported that a majority of residents were willing to replace broken sidewalks with the village paying 50% of the cost. Mayor Toft instructed him to proceed with repairing sidewalks a street at a time. Residents will pay their share of cost direct to the contractor. Engineer Roger Patzer was instructed to prepare plans for a system to lessen iron in the village water and submit them for state approval.

A Sorry Dodge

Time was when "patriotism" was a proud word. The drums beat and the bugles sang and men marched off to battle, cheered on by wives and mothers and envied by boys too young to go and old men too old to share the glory.

Then came the era of the "debunkers", the authors and playwrights and movie producers who showed the seamy side of war. The men who pointed out the futility of dying for a principle. The "inside stories" of how wars were fought to further some industry, to make money for some powerful clique.

We have no quarrel with debunking the glories of war. It's hard for a handicapped man to live the rest of his life at a disadvantage because he fought for a principle. And the families of men who die in war would gladly trade the glory to have their loved one back. But there are still things worth dying for, like freedom. Maybe the debunkers have done too thorough a job.

"Dodging the draft" has become a favorite sport of a great many young men. We can't be completely without sympathy for the young man who doesn't want to go to Viet Nam. No one really wants to. But the measures taken by some young men to avoid the draft are apt to bring them more grief through the years than the wounds they might receive in battle.

One of the dodges is acquiring a police record so that "clever" young men can avoid military service. One wonders if these "smart" youngsters realize how thoroughly that police record can dog their footsteps and frustrate every attempt they may make to acquire the good things of life later on.

Some day they may get tired of living a hit-and-miss life, and want a good job. Not much chance, with a police record. Get into politics? Forget it.

A police record, even for a minor crime, is not a very good reference to present to the parents of the girl the young man may want to marry some day. It's surprising, how that police record, that you thought was such a clever way to avoid a hardship, will keep popping up every time you turn around.

The day may come when these smart youngsters will wish they'd taken their chances along with their fellows. A police record is a very permanent thing.

Courthouse Notebook

BY LOU DURKIN

The June 14 primary campaign so far has been as interesting as playing poker for matches despite ingredients which could make this an exciting drive for votes that could appeal to the voters and bring out a representative vote at the polls.

The sheriff's race in particular has floundered and failed to produce the excitement and interest usually found in the campaign for this potent political office.

Neither Zion Police Chief Lloyd Deffenne nor Sheriff's Captain Harold Scheskie has gone after Norris Froelich and Sheriff Charles Larson hard enough to whet the appetite of the voters and the sheriff's race is the contest that must produce the sparks if there is to be any excitement in the campaign.

It isn't enough for the candidates to ask the voters to compare their years of experience and training, they must come up with some solid, vote-stimulating reasons for changing the administration in the sheriff's office if they expect to be successful.

Deffenne, being an outsider, may not be as cognizant of any possible shortcomings or areas where improvement might be achieved, but then he doesn't have to answer for these conditions, either.

Scheskie, with many years of experience in the sheriff's office should know where the skeletons, if any, are closeted, but he is handicapped by this very knowledge since he has remained silent for all these

years. It seems, however, that one candidate or another is going to have to come forward with a positive, attractive reason for making a change and without it he is wasting his time.

The Lake County Crime Commission has been strangely silent in the present campaign, but this could be due to its constitution which prohibits political action.

It is difficult to see, however, what value the organization has if it is going to sit on the sidelines and criticize but take no positive action to correct conditions.

The Crime Commission has been extremely critical of the present sheriff's office administration and this would have to reflect on Froelich since he is the chief deputy and also supported Larson in his bid for sheriff.

If the Crime Commission feels the present administration should be ousted it should pick one of the other candidates and back him all the way. If the commission feels a change wouldn't improve or change conditions it should so state.

The Crime Commission is like many individuals, sit on the sidelines and criticize, but make no real effort to change or improve conditions.

There is still some hope for some color and excitement in the campaign judging from the appearance of a quartet of cheerleaders as part of the entourage of Robert H. Mick-

Your Congressman

By Cong. Robert McClory

The American consumer is being overwhelmed in the present session of Congress by legislative action seeking to protect him against almost every conceivable threat to his health, safety, and pocketbook. The nation's largest industrial union, the AFL-CIO, in a recent communication to all Members of Congress, declared simply, "We believe that President Johnson was profoundly right in again pointing to the need of legislation to protect the American consumer."

The measures that have attracted the most national attention are the "truth in packaging" and "truth in lending" bills. The zeal, indeed the success, of the American advertising industry is probably responsible for the noted "truth in packaging" bill (S. 985), sponsored principally by Senator Philip Hart of Michigan. The bargain "king size" and "large economy size" packages are alleged to have fooled the American housewife to the point where she now needs the Federal Government to protect her. Notwithstanding the threat to the private economy and the spectre of packages and labels of uniform size, color, and design, the measure has a great deal of voter appeal, and appears to be picking up momentum in the United States Senate.

A more complicated and even more appealing measure is the so-called "truth in lending" bill (S. 2275), with Senator Paul Douglas of Illinois as its principal sponsor. This measure would require full and complete disclosure on loans and installment sales, of so-called hidden charges. The Illinois legislature enacted a similar measure in 1961, and several other states have taken such action. It is hard to gauge what will occur if the Federal Government enacts a measure that might impose duplicate or inconsistent requirements to those already imposed by the laws of the various states.

More recent legislative proposals would require Federal safety standards for automobiles and automobile tires. While great public attention has been focused on these subjects, it should be recalled that in 1964 the Congress authorized Federal standards for automobile safety belts. Regardless of the form or extent of pending measures affecting automobile safety, the automobile owner is bound to gain greater protection as a result of the positive steps that the automobile manufacturers appear to have taken already.

At its last session, Congress enacted stringent legislation affecting the manufacture and sale of medicines and drugs. This law has been supplemented by regulations issued by

ey) Babcox, GOP candidate for County Clerk.

The Babcox Beauties made their first appearance last Friday at a rally in Deerfield singing a parody on "Hello Dolly."

Babcox produced plenty of excitement in past campaigns and it is to be hoped that some of the other candidates will follow his lead in trying some fresh approaches to stimulating voter interest.

At the same rally County Chairman Robert J. Milton, who is seeking the GOP nomination for County Treasurer, indicated he has set his sights on higher goals.

It is unusual for a candidate for one office to reveal more ambitious political goals, but we see nothing wrong with it. In fact, we prefer a candidate who is ambitious to move ahead rather than find a safe political niche and stay there as long as possible. The latter type office holder displays little initiative or leadership and is interested only in keeping the job he has.

Of course, Milton couldn't succeed himself as treasurer, anyhow, but it is refreshing to find candor in a candidate when he discusses his plans beyond the present campaign.

the Food and Drug Administration to further protect those for whom these medicines and drugs are administered. It is possible that standards will also be authorized at the present session for drugs administered to poultry, and livestock bred and raised for human consumption. These subjects are closely related to our physical well-being.

Warnings are now required on cigarette packages and further protective legislation may soon be forthcoming. Legislation to protect milady in her use of cosmetics is also pending.

It may be that this variety of measures in behalf of the American consumer will be bound up with a related measure to create a new Department of Consumers, presumably to replace the Office of Consumer Affairs in the Executive Department. What the American consumer wants is good, safe products at the lowest possible cost. It is doubtful, except in the areas of public health and public safety, that the Congress will be able to accomplish much more than the astute American housewife and her well-schooled husband have been able to achieve.

Letters to the Editor

Editor, NEWS,
Antioch, Ill.

Operation "Green Thumb," sponsored by the War on Poverty, is now rolling in four States—Arkansas, New Jersey, Minnesota, and Oregon.

Run by the National Farmers Union, a private farm organization that seems to always agree with the White House, Green Thumb will get \$790,000 federal money. Older, impoverished farmers will be hired by the hour—given rakes and shovels, then sent out to plant trees, shrubs and flowers along state roads and highways.

In spite of its worthy ideals, the whole deal smacks of the leaf-raking projects of New Deal days. And at least two questions have been raised:

(1) Should politically-active private farm organizations be dispensing public funds? And (2) are impoverished farmers any more needy or deserving than poor non-farmers?

Since this is a pilot project, look out next year. Every state and a dozen other organizations will want in on the act.

Perhaps they will then consider changing its name to something more appropriate, like "Long Green."

Church Votes To Remodel

The Antioch Evangelical Free Church held its Annual Meeting Thursday, May 12. Besides the election of officers, some major decisions concerning the present building and future buildings were made.

The congregation voted to remodel and enlarge the present auditorium to seat 140 and to air condition the building along with enlarging the parking lot.

They also voted to establish a building fund and to make plans for a future church and educational buildings and to establish a master grounds plan.

They also passed increased church and missions budgets. A time of refreshments and fellowship was enjoyed following the meeting in the downstairs fellowship area.

HEALTHY TOWN

"Is this a healthy town?" inquired the home-seeker of a local resident.

"Yes, certainly," was the answer. "When I came here I hadn't the strength to utter a word; I had scarcely a hair on my head; I couldn't walk across the room, and I had to be lifted from my bed."

"You give me hope!" cried the home-seeker with enthusiasm. "How long have you lived here?"

"I was born here," replied the native.

GOP Women Hear Problems Of Nation

Brae Loch Country Club at Grayslake was the setting for the annual spring luncheon of the 12th District Women's Republican Club held Monday, May 16. About 300 women attended, ten of whom were from the Antioch area.

Adeline Geo Karis Lambros, president of the organization, presided. Awards were presented to three retiring county officers from the District, including County Clerk Garfield Leaf. Candidates for state and county offices in the coming June 14th primary were introduced.

Congresswoman Catherine May from Yakima, Washington, was the featured speaker. She is noted for her active battles in Congress against backdoor spending and deficit financing. She also takes an active part in problems concerning education, handicapped children and juvenile delinquency.

Congresswoman May said the war in Viet Nam and the soaring cost of living are the two problems of greatest con-

cern. She said the U.S. should make a greater use of its air power to end the war. The housewife, Mrs. May said, is tired of being blamed for inflation and is justified in urging an end to waste in government spending.

Mrs. May said that woman power is one of the big factors in political victory. They can do much, she said, to ensure that the company remain economically strong.

Representative Robert McClory was introduced and made a few brief remarks. The meeting was closed with a benediction by the Rev. Ford Gibson.

Avon Players Change Play Date

The Avon players, due to technical difficulties, have found it necessary to postpone the scheduled production of "Luxury Cruise", comedy by Fred Carmichael, on May 20, 21 and 22.

It will be re-scheduled for June 24, 25 and 26.

Antioch Adventurers Compete In Share-The-Fun

May 2nd, the Antioch Adventurers competed with twelve other 4-H clubs in the Share-the-Fun Festival. Their skit, "Susie's Music Lesson," was not selected as a finalist. However, Lynn Hall trying out as master of ceremonies was picked with two others to come back May 6th. However, she lost that night.

The Antioch Adventurers met May 9th at Emmons Grade School for their delayed business meeting. The meeting was centered on 4-H camp and their up-coming Achievement Night, May 25.

Cancer Society To Hold Annual Dinner

The nineteenth annual meeting and dinner of the American Cancer Society, Lake County unit, will be held May 26 at 7:30 p.m. at the Swedish Glee Club in Waukegan.

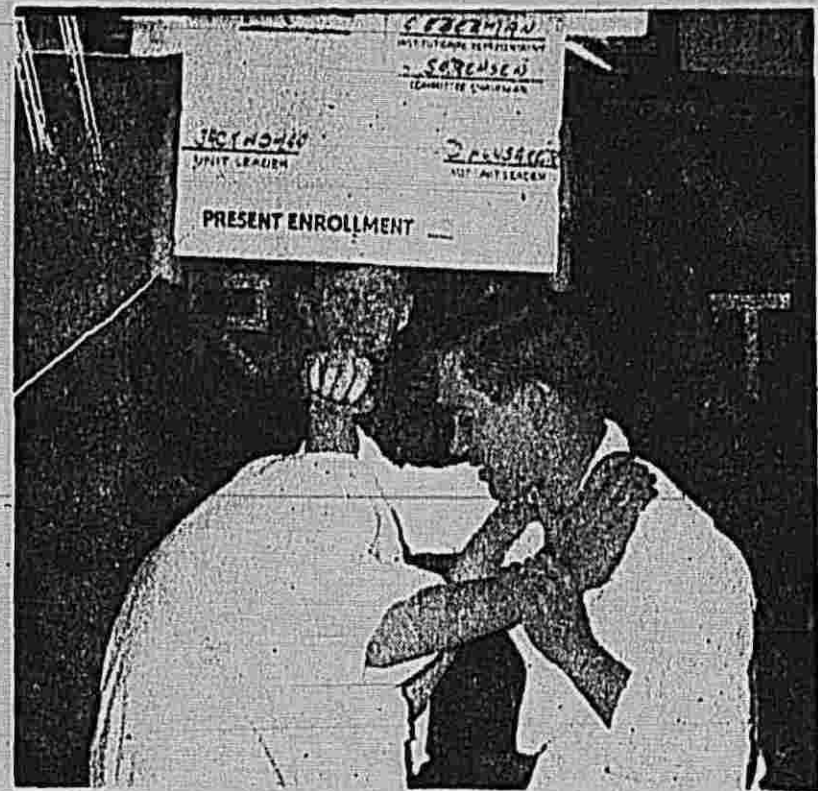

The guest speaker will be Harry W. Southwick, M.D., whose subject will be "Cancer Conquests and Challenges." Dr. Southwick is Clinical Professor of Surgery at the University of Illinois College of Medicine.

5000 View Scout Show

In excess of 5,000 persons viewed the exhibits and activities at the Scout Show of the Northwest District at the Lake County Fair Grounds in Grayslake.

The show opened at 1 p.m. and closed at 8 p.m. Participants numbered about 1800 boys and 400 adult leaders.

Several Antioch area troops participated in the show, the most successful one to date.

Mr. and Mrs. Kirk Kube

Klecki-Kube Rites At St. Peters Church

Miss Carol Klecki of Antioch became the bride of Kirk Kube of Trevor, Wis., in ceremonies at St. Peter's Church at 3 p.m. Saturday, May 7.

The Reverend Father Lawrence Hanley officiated at the double-ring service. The bride was given in marriage by her father.

The bride is the daughter of Mr. and Mrs. John Klecki, 250 North Ave., Antioch. The groom is the son of Mr. and Mrs. Gordon Kube, Rt. 1, Box 98, Trevor.

Miss Klecki chose a traditional, elegantly feminine gown of white rosepoint hand-clipped lace, with modified sweetheart neckline and long lily-point sleeves. The contoured basque waist was caught to a voluminous skirt with a bouffant train accented by flounces. Her imported illusion veil was held by an especially designed forward caplet sprinkled with bridal pearls. She carried white roses with a center of white orchids.

Miss Kathleen Koczyski cousin of the bride, was maid of honor. The bridesmaids were Miss Darlene Bazar, cousin of the bride; Kolleen Kube, sister of the groom; Marsha Klecki, sister of the bride; Charlotte Chinn and Kathie Lusiak. Kim Kube was the flower girl.

The bride's attendants wore gowns of mermaid aqua and sand. Soft sand crepe intermission skirts were caught to empire basques by a small self-bow. They wore open crowned hairbraids picture hats of aqua.

The younger members of the bridal party wore aqua floor-length frocks of shantaski with puff sleeves, full skirts and wattleau back panels. The attendants carried Colonial bouquets of tinted blue carnations with a white-carnation center.

Keith Kube, brother of the groom, was the best man. Ushers were Chuck Fox, John Klecki, Ray Chinn and Gary Durlingo. Mark Lewandowski was ring bearer.

A reception was held at The Angels.

Order Of Rainbow To Install Officers

Antioch Assembly No. 23, Order of Rainbow for Girls, cordially invites the public to attend the Installation of Officers Saturday, May 21, at 7:30 p.m. in Wesley Hall of the Antioch Methodist Church.

Kathy Gaston, daughter of Mr. and Mrs. Robert Gaston, will be installed as Worthy Advisor. Wendy Lindblad will

be mistress of ceremonies. Mrs. Margaret Pincombe is Mother Advisor.

Conducting the ritual work are Karen Jennrich, a past worthy advisor of Antioch Assembly, installing officer; Susan Lindblad, also a Past Worthy Advisor of Antioch Assembly, installing marshal; Harriet Wells, Past Grand Worthy Advisor of Illinois, installing chaplain; Juanita Gillum, Past Worthy Advisor of Antioch Assembly, installing recorder; Harriet Davis, Past Worthy Matron of the Order of Eastern Star, installing musician; and Judy Sommerfield, a majority member of Antioch Assembly, as soloist. Linda Brown, a member of Antioch Assembly, will serve as acting drill leader.

In addition to Kathy Gaston, Worthy Advisor, other officers to be installed are: Jeanne Dow, Worthy Associate Advisor; Diane Polsgrove, Charity; Edith Bruski, Hope; Donna MacLanes, Faith; Wendy Lindblad, Recorder; Leslie Beese, Treasurer.

The following sisters were appointed to office and will be installed: Cheryl Pincombe, Chaplain; Denise Fowles, Drill Leader; Maureen Bates, Love; Janet Polsgrove, Religion; Denise DeVore, Nature; Karen Walker, Immortality; Ainslee Brook, Fidelity; Holly Markwart, Confidential Observer; Linda York, Outer Observer; Debby York, Musician; and Joan Walker, Choir Director.

United In Marriage At St. Joseph Church

Miss Wanda Cieslak and James Alshouse were united in marriage in a double-ring service at St. Joseph Catholic Church at Round Lake at 3:00 p.m. May 7. The Rt. Rev. Msgr. John B. Hayes performed the marriage ceremony.

The bride is the daughter of Mrs. Ann Miron, 1414 Meadow Brook, Round Lake. The groom is the son of Mr. and Mrs. Paul Alshouse, Rt. 1, Box 240, Antioch.

The bride was given in marriage by her grandfather, Frank Mastalish.

The bride chose a bouffant traditional gown of chiffonilly lace with long bridespoint sleeves, a sabrina neckline frosted with sequins and a fitted bodice. The front of the skirt had three deep tiers of lace and the full back featured

tiers from the waistline, then fell into a sweeping chapel train. Her double tiered silk illusion veil was held by a pearl crown detailed by crystals. She carried a colonial bouquet of white roses and white carnations.

Miss Carol Kolek was maid of honor. She wore a long pink crepe gown with a green velvet sash, embroidered with pink flowers. She carried a colonial bouquet of pink roses and white carnations.

A reception was held at Wesley's Hall on Cedar Lake Road. The young couple took a honeymoon trip to Springfield.

The bride is a graduate of Round Lake High School. The groom is a graduate of Antioch High School.

CHRISTIAN SCIENCE CHURCHES

The story of Job will form the basis for a Bible Lesson on "Soul and Body" at Christian Science church services this Sunday.

Explanatory passages from the denominational textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will emphasize the theme that man's real existence is spiritual—in God—and that to accept this gives men dominion over the material body. Included will be these lines: "Man is tributary to God, Spirit, and to nothing else... Having one God, one Mind, unfolds the power that heals the sick, and fulfills these sayings of Scripture, 'I am the Lord that healeth thee,' and 'I have found a ransom.'"

Mrs. Robert Gaston, guests of honor, and Mrs. Margaret Gaston, Honored Guest.

Following the ceremonies refreshments will be served by Mrs. Arnold Weber and her committee.

Where The Boys Are

Pvt. Robert P. Wagner, son of Mr. and Mrs. Phillip G. Wagner, 223 E. Grand Ave., Lake Villa is home on leave.

Pvt. Wagner enlisted in the Marine Corps delay program in Nov. last year and departed for training in January. He will report to Camp Jeune, N. C., upon completion of his leave where he will attend Air Conditioning Refrigeration School.

Wagner is a graduate of Antioch Community High School.

USS FORRESTAL — Radio-man Third Class Raymond L. Schaefer, USN, son of Mr. and Mrs. Louis N. Schaefer of 1019 Main St., Antioch, has returned to his Norfolk, Va., homeport aboard the attack carrier USS Forrestal, from an eight-month deployment with the Sixth Fleet in the Mediterranean.

SAN ANTONIO, Texas — Airman Steven J. Morby, son of Mr. and Mrs. Raymond J. Morby of Lake Villa, has been selected for training at Amarillo AFB, Texas, as an Air Force fuel specialist.

The airman, a 1964 graduate of Warren Township High School, Gurnee, recently completed basic training at Lackland AFB, Texas.

He attended Orlando (Fla.) Junior College.

CAMP Pendleton, Calif. — Marine Private Gerald M. Kubicki, son of Mr. and Mrs. Henry Kubicki of Route 3, Antioch, has completed individual combat training here.

His next stop is four weeks of basic specialist training in his military occupational field. Marines to be assigned to infantry units will be taught infantry sub-specialties, such as the machine gun, grenade launcher, rifle or mortar. Marines to be assigned to highly technical specialties will be sent to military technical schools for their specialist training.

Leathernecks bound for the Pacific will receive more training when they report to the Staging Battalion at Camp Pendleton, Calif. This training will emphasize jungle warfare, patrolling, and civic action based on experience gained in Vietnam.

MOOSE TOPICS

By Lillian Birdsall

One of the members of the Loyal Order of Moose from the Antioch Moose Lodge paid a visit to Moose Lodge No. 246 in Chippewa Falls, Wis., recently. In return I received the following letter: "Lillian Birdsall, members of 770, Women of the Moose, Academy of Friendship were pleased to meet Glen Siedschlag at the Moose Lodge 246 in Chippewa Falls." The letter was signed by Mrs. Gertrude Cushman, secretary of Academy of Friendship, May 11, 1966. This, I felt, paid an honorary compliment to all the Academy of Friendship members of the Women of the Moose for the Antioch Moose Lodge.

Mr. Moose's birthday dinner is the big event around the Antioch Moose Lodge at present. His birthday will be celebrated on Saturday, May 28 and dinner will be served from 6 to 8 p.m. Following the dinner will come enrollment of new members. It is anticipated that this will be one of the largest enrollments of new members the Antioch Moose Lodge has had in quite some time. That isn't all. Following the enrollment comes an evening of dancing to the music of the Purple Tones.

The honorary dinner for the co-workers of the Women of the Moose will be held at the Antioch Moose Home on Thursday evening, May 26. There is still time for any co-worker who has not signed to attend, to do so, at the meeting being held for the Women of the Moose, Thursday evening, May 19. Also at this meeting will take place the election of new officers, so all co-workers are asked to attend.

Letters were sent from Mooseheart to all co-workers who have sponsored 15 or more candidates, to attend a dinner in their honor Monday, June 13, at the Conrad Hilton Hotel at 12:30 p.m. Invitations were also extended to all who sponsored five or more candidates during the fiscal year.

The Bee Perry's art class is just about completed with its course. An exhibit of all paintings will be held in the

Homemakers Meet May 18

The Lake Region unit of the Home Economics Extension Unit met at the home of Mrs. Richard Wells of Antioch, Wednesday, May 18, at 8 p.m. Local leaders Mrs. Vincent Stonis and Mrs. Wilfred Jennrich presented the major lesson on "Ironing Made Easier." Refreshments were served by Mrs. Everett Queen and Mrs. Vincent Stonis. A silent auction was held.

Mr. and Mrs. Kenneth Smouse spent the weekend at Pheasant Run.

Mr. and Mrs. George Tuck returned home recently after spending the winter in St. Petersburg, Florida.

Mrs. Thomas Perkins returned to her home at Indian Point after spending the winter with friends in Chicago.

TAKES PART IN CONCERT

Gay Bruhn of Antioch was one of the Eastern Illinois University students who recently took part in a concert presented by the University's Concert Band and the Symphonic Winds.

ON DEAN'S HONOR ROLL

Two graduates of Antioch Community High School have attained the Dean's Honor Roll for the past winter quarter at the Milwaukee School of Engineering.

Richard W. Sreh, son of Mr. and Mrs. Henry J. Sreh, 418 Maplewood Drive, Antioch, and Eugene L. Thiele, son of Mr. and Mrs. Emanuel Thiele, Route 2, Antioch.

Both are enrolled in the electrical engineering course at MSOE.

SINGS WITH CHORAL GROUP

Two choral groups will present a spring concert at Northern Illinois University Friday, May 20.

The NIU Women's Chorus, directed by Dr. Eleanor Tipton, and the NIU Men's Glee Club, directed by Dr. Vernon Fay, will perform at 8 p.m.

Harriet J. Wells, 416 Orchard, Antioch, is a second soprano with the NIU Women's Chorus.

Judith Turner daughter of Mr. and Mrs. O. W. Turner of Route 2, Antioch, has been elected president of Delta Omicron Music sorority at Illinois Wesleyan University for the 1966-67 school year.

Judy is a 1963 graduate of Antioch Community High School and is now a junior majoring in music education.

HONOR CORNELL STUDENTS

Cornell College students who have exhibited outstanding scholastic and leadership ability during the past year were honored April 28 at the seventeenth annual Student Recognition Day Convocation.

Among those so honored was Miss Janet Polley, daughter of Mr. and Mrs. Warren Polley, 998 Osmond Ave., Antioch. She received a senior Fellowship in the Humanities. This is awarded annually to juniors showing unusual achievement and interest in their subject area, initiative and responsibility in carrying out independent work, and future promise of scholarship.

CANDIDATE FOR DEGREE

Among some 230 Grinnell College seniors who will be candidates for the bachelor of arts degree at commencement on Friday, May 27, is Stephen L. Chandler, son of Mr. and Mrs. Emory H. Chandler, 1048 Bishop St., Antioch.

A chemistry major at Grinnell, Chandler has been accepted for graduate work at Yale Divinity School.

Legion Auxiliary

By Del Jahneke

There will be a 10th District American Legion and American Legion Auxiliary Child Welfare Picnic on Sunday, May 22nd, at 12 noon, at the Lakes Region Legion Home in Fox Lake. Jack Zanin, Fox Lake, and Mrs. William Franzen, Libertyville, are the 10th District Co-Child Welfare chairmen. Mrs. Bert Anderson is Antioch Unit's Child Welfare chairman.

A picnic lunch, boat rides on the lakes, games, contests, and prizes will be on the day's agenda for approximately 150 children from the Arden Shore Home, Lake Bluff Children's Home, the Allendale School for Boys, and the Central Baptist Children's Home in Lake Villa. All Legion Posts and Units, the "40 & 8," and the "8 & 40" contribute to the expenses of this yearly event.

Mrs. Warren Edwards, Antioch Unit Poppy chairman, wishes to remind both the public and the Antioch American Legion Post and its Auxiliary that Poppy Days are May 27 and 28. Materials for making the red poppies are furnished by the American Legion Auxiliary, at no cost to disabled veteran, and he is then compensated for his work.

All monies received on Poppy Days goes into Rehabilitation work. The public is asked to wear a Poppy to show that they remember and appreciate the sacrifice made by those courageous Americans who gave their lives for our freedom, and for those injured and ill veterans, still

cepted for graduate work at Yale Divinity School.

While at Grinnell, he was elected to Hermit's honorary scholastic society for freshman men; received his freshman grade "with distinction" in chemistry; and has been named to the Dean's list for outstanding academic achievement. The recipient of a Grinnell scholarship, Chandler has also help campus employment.

He is a 1962 graduate of Antioch Township High School.

OZGA CITED FOR LEADERSHIP

William Ozga, son of Mr. and Mrs. Theodore Ozga of Antioch, has been cited by the Menomonee Area Chamber of Commerce for outstanding student leadership and achievement.

The leadership and achievement awards are presented annually to outstanding students at Stout and at four Dunn County high schools—Menomonee, Colfax, Boyceville and Elk Mound.

The awards were presented at a reception banquet May 4 in the university student Center. Norman V. Knutson, an insurance executive, spoke on "Higher Levels of Achievement."

The award recipients received certificates of merit in honor of their achievement.

The 28th annual session of Illini Girl's State will be held June 21-28, at MacMurray College in Jacksonville, according to Mrs. Ray Rathmann, president of the Antioch American Legion Auxiliary. This project is sponsored by the State organization of the Auxiliary, and is for the purpose of providing citizenship training for Illinois girls, who are members of the Junior High School class.

Miss Lois Herman has been chosen as delegate, and Miss Candy Meyer, as alternate, to represent the Antioch Unit, states Mrs. Joseph Horton, Illini Girl's State chairman. The expense of her attendance is financed by the Antioch unit.

The 10th District American Legion Auxiliary Illini Girl's State tea was held Sunday, May 15, in the Garret-Lang, vlad Legion Home in Winthrop Harbor. All Unit Illini Girl's State chairmen, Girl Staters and their mothers were invited guests.

Selection of the nominees was made by the Antioch Community High School faculty, based on the girl's leadership qualities, attributes of interest in civics and government; good character, self-reliance, scholastic rating and physical fitness.

The educational pattern of Illini Girl's State is directed by Auxiliary members experienced in teaching government procedure. Their schedule includes the forming of two political parties in a mythical government, convention, election of officers on a city and county level and then progress to the state election. After the State officers are elected, all functions of the government are carried out—executive, legislative and judicial. Two representatives are then chosen to attend the American Legion Auxiliary's Girl's Nation, held in Washington, D. C., where government is taught on the national level.

One day is spent in Springfield, where the girls meet Governor Kerner, and tour various state buildings. A trip to Abraham Lincoln's Tomb is included. On Sunday each girl attends the church of her choice, and then visits with her parents and guests, during the afternoon reception for the alumnae of Illini Girl's State tea.

The Gold Star party and meeting of the Antioch unit was held on Friday, May 13, at the Legion Home at 8 p.m.

Antioch AARP Has 95 Members

The Antioch Area Chapter, No. 387, affiliated with the National Retired Teachers Association (NRTA) and the American Association of Retired Persons (AARP) has reached its 15th month of having been chartered with the organizing officers being returned to office for another term as follows: President, John L. Horan; Vice President, Mrs. Barbara Jorgensen; Treasurer, James Koemoud, and Secretary, Mrs. Frank Kennedy, Sr.

At the monthly meeting last week President Horan reported on the changes that have to be made as coming from the home office of AARP; that each chapter of the 400 organized in United

States and having over a million and a quarter members will have to set up new by-laws, have their Chapter incorporated under their respective state, carrying the corporate seal and have their treasurer bonded, as required for organizations incorporated for non-profit.

President Horan made the following appointments: Legislative chairman, Herman Reimer; Membership, Mrs. Harriette Pirson; Program, Mrs. Barbara Jorgensen; Social, Mrs. Walter Buchert; Telephone Contact, Mrs. Emma Roblin; Visiting Sick, Mrs. Edith Ries; Editor, Mrs. Ruth Tidmarsh, and Historian, Mrs. Fred Chapp.

Twenty-five members of the Chapter attended an annual luncheon held at the Illinois Beach State Park Lodge, on May 18th, with the Lake County Chapter, Waukegan as host.

The monthly meeting of the Antioch Chapter, May 24, to be held at the Community Room of the Antioch Savings & Loan will have a demonstration of the Volomatic voting equipment that will be used in voting at the June 14th election.

On May 31 the group of chapter members will make a tour of the Kitchens of Sara Lee, Inc., at Deerfield.

Members will tour Great Lakes Naval Training Center and will be guests at the graduation exercises to be held at the Center in the middle of June. The local chapter does not have any business meetings during the months of July and August. On July 27 Antioch Chapter will be a part of the family picnic to be held at the Illinois Beach State Park Picnic Grounds with Waukegan, Kenosha and Antioch attending in the morning and for noon a basket lunch followed by games.

Any senior citizens, retired or semi-retired who have reached the age of 55 are welcome to join the local chapter. One requirement is that they must be a member of the National organization, the dues are \$2 per year or three years for \$5.00.

Local dues in the Antioch Chapter are \$1.50.

A few of the benefits are: Insurance, hospital, special prices on medicine, hearing aid, eye glass service and travel programs. The Antioch Chapter's membership to date is 95 and meetings are held in the community room of the Antioch Savings and Loan Building on the second and fourth Tuesday of each month.

Vose Opposes Cheese Import Increase

Avery A. Vose, president of Pure Milk Association has requested 15 senators and representatives from Wisconsin, Illinois and Indiana in Congress to support legislation to limit imports of cheddar cheese and other dairy products and thereby improve prices paid dairy farmers in this country.

Cose sought support for the bill, S. 3273, introduced by Sen. William Proxmire of Wisconsin which would limit imports of foreign dairy products to the averages admitted into the United States during the five calendar years, 1961 through hearings on the advisability of increasing the cheddar cheese import quotas. The commission is due to report on June 1 on the administration's proposal to in-

crease the fiscal 1966-67 cheese import quotas up to 9.6 million pounds compared with the fiscal quota of 2.8 million pounds which prevailed up to March 31, this year.

The proposed increases in the cheese import quotas are contrary to the purposes of the price support program carried on by the U. S. department of agriculture to protect the incomes of dairy farmers and have jolted the confidence of milk producers all over the nation, Vose asserted.

"If these quotas are increased as proposed, the dairy support prices will become ceiling prices instead of floors and there will be further declines in milk production and numbers of dairy farmers," he declared.

Udell Speaks To Shriners

J. Edgar "Ed" Udell addressed the Chain O' Lakes Shrine Club at their last meeting on the latest com-

Expansions— Alterations

(Continued from page 1)
as well say it's a new store," says Manager John Keyser. "It's all new shelving, new

counters, and re-decorated." Jewel Tea has added 32 feet the length of the building, about 100 feet long. In addition, 20 feet have been added to the back (south) end of the building for storage. The additional storage room at the back made it possible to expand the store proper 12 feet on the east side of the building. This space was formerly used for storage and the office. The office is now in the front center of the store.

The west wall was moved out 20 feet. Jewel purchased the additional 20 feet for expansion.

The interior of the store is almost completely changed. Aisles running the length of the store have replaced the diagonal aisles. The frozen foods and dairy departments have been expanded, now almost four times as much room as formerly. A new, attractive patio department will supply an assortment of cooked foods ready prepared for those days the housewife doesn't want to cook. And expanded lines of gourmet foods have been added.

"We needed the extra space badly," Keyser said, "particularly on busy summer weekends." Jewel has also added parking space for about 20 cars at the south end of the parking lot. "It'll be blacktopped soon, we hope," says Keyser. "As soon as this strike of heavy equipment operators ends."

THE GILDED CAGE

Meyer's Paint Store on Lake St. hasn't added any space, but they've remodeled and assumed an entirely new personality. The Gilded Cage, they're calling their new look, and though you can still buy paint and wallpaper and all those other fundamentals of decorating, you can also get help in planning the interior decor of your home.

"Customers are asking for a complete coordinating service," says Bette, who has been helping customers choose draperies for some time. And a complete coordinating service they'll have, in the Colour Bar, the Paper Parlour and the Drapery Den. Paints are chosen at the Colour Bar, with stools to sit on while browsing through samples and making up your mind. The Paper Parlour and Drapery Den offer the same chance to browse till you find what you want.

Two "mock" bedrooms are being set up, complete with beds, to display bedspread and drapery combinations. The room dividers (screens) will be papered in various wallpapers to give the customer a chance to see how they look. The paper will be changed regularly on these.

The furnishings of the Gilded Cage will be mainly antique, though all kinds of decor will be available to the customer. Bette and Art have found several treasures to add to the atmosphere—an old school clock, a European telephone. Leaded windows in the "rooms" add to the atmosphere.

"We'll still carry all the paints we always did," Bette says. "But we'll also specialize in custom-mixed paints at no extra charge." The Grand Opening of the Gilded Cage is today (Thursday) so drop in and see it yourself.

WILTON'S ELECTRIC

Wilton's Electric is expanding into the building next door, formerly occupied by the Antioch News. This will give them about twice as much room as they now have.

The front of the building will be changed to conform with the front of Wilton's present store, with the new display window across the front. An entrance from Wilton's present store will be opened into the new part. The store will extend back 60 feet in the new portion, and will be entirely carpeted.

Wilton's hope to finish their remodeling early in July.

FROSTEE SNO EXPANDING

Down in Industrial Acres, Frostee Sno is building a 90 ft. x 215 ft. addition to their plant. The extra room is needed for new equipment, says Everett Oftedahl, mainly because of the addition of a new line, rigid-urethane. The new line is used for insulation.

Construction on the addition started about 30 days ago and will probably be completed in another 30 days.

The new construction will be brick and concrete block, like the original plant. It's fireproof, says Oftedahl, with masonry walls and a steel roof. Frostee Sno has had their plant in Industrial Acres since 1963.

GARDEN CLUB MEETING MONDAY

The Antioch Garden Club will hold its regular meeting at the Antioch Savings & Loan at 12:30 p.m. Monday, May 23.

Hostesses for the afternoon are the Mesdames J. Patrovsky, W. Laurell, and W. Kurnes. The program will be announced.

Moderate swimming takes about as much energy and makes about the same demands on heart and lungs as running.

140 Graduate At Central

Baccalaureate services for approximately 140 graduates will be held at Central High School's gym on Sunday, May 20, at 8:15 p.m. Commencement exercises are scheduled for 8:15 p.m. Friday, June 3.

The Rev. Peter Grabauskas, pastor of St. Alphonsus Church, New Munster, will deliver the sermon for baccalaureate. Music will be furnished by the music department under the direction of Keith Lunde.

The Invocation and Benediction at the Commencement will be given by the Rev. Carl W. Bloedow of the Bristol Methodist Church of Bristol. The Commencement speaker is Dr. Burton Kreitlow, Professor of Agriculture and Extension Education at the University of Wisconsin at Madison.

Valedictorian of the graduating class is June Schmidt. Salutatorian is Eldonna Schulz.

Central Library Club Holds Last Meeting

The Library Club at Central High School elected officers for the 1966-67 school year at the last meeting of the year, Friday May 13.

I bought my first Savings Bond 25 years ago

I was 14 years old

Mr. Jack Benny, distinguished star of the entertainment world, may not have a computer's memory when it comes to his age, but his dates are accurate about Savings Bonds.

The first Series E U.S. Savings Bond was issued 25 years ago on May 1, 1941, by Secretary of the Treasury, Henry Morgenthau to President Franklin D. Roosevelt.

Mr. Benny was already famous as a radio comedian (the youngest in the business, by his own admission). And in the years which followed, he proved himself to be a good friend of the Bond Program, not only buying Bonds, but helping to sell them to the American people.

Why not start building your nest egg with Savings Bonds—for yourself, and to back up our men in Vietnam. But give it a chance to build up by starting young. Like Jack Benny.

NOW—Savings Bonds Pay 4.15%!
Interest on new E and H Bonds you purchase has been raised to 4.15% when held to maturity. E Bonds mature faster—now in just 7 years. Your old Bonds will earn more, too. Savings Bonds are better to buy, and hold, than ever.

Sequoit Track Squad Wins 3-Way Meet

The Sequoit track squad, spirited by the knowledge that they will again host the Conference Track Meet next week, romped to an easy win in a triangular meet Monday with Round Lake and Salem at Antioch.

In a sudden move last week, Wauconda declined to play host to the Conference meet scheduled for May 28th. Antioch High athletic department officials immediately put in a bid and were awarded the role. The meet is fast shaping up to be a duel between Lake Forest and the Sequoits and Antioch boosters are pleased over the fact that it will be run on the home cinders.

In Monday's meet the Sequoits rolled up 77 points to easily outdistance their two opponents. Round Lake finished in second place with 43 points and the Salem Falcons ended with 27.

Antioch finished in first place in 9 of the 14 events. Tyrone Walls and Bill Sheldon were dual winners for the Sequoits. Sheldon took first in the 100 yard dash with a 10.6 clocking and also won the broad jump with a leap of 18' 11". Walls took a tie for first in the 120 high hurdles and first in the shot put

Tigers Win Over Sox

The 1966 season of the Antioch Little League got under way last Sunday, May 15, with presentation of colors by Boy Scout Troop 92, and with Mayor Raymond Toft throwing out the first ball.

The Sox, sponsored by Gibbs & Jensen and managed by John Waring, went down to defeat before the State Bank Tigers, managed by Bernie Gutowski, in the league opener. The Sox were last year's champions, the Tigers finished in second place.

Jim Revell and Mike Ricker of the Tigers belted out home runs for the opening game. Because of the bad weather, neither team had had more than three hours practice this season.

Members of the Tigers team are Gary Vistain, Mike Ricker, Jim Revell, Greg Benning, Bill Wozniak, Bob Palenik, Bob Mason, Art Frisell, Martin Pickler, Dave Johnson, Gary Reckers, Jerry Reckers, Mark Crawford, Floyd Davis and Mike Gutowski.

The Sox team members are Timmy Miere, Gary Inman, Jeff January, Billy Toman, Gary Glover, Rick Cork, Jeff Pedersen, Mike Costoff, Bud Newton, William Ray, James Fischer, John Van Ogen, Dennis Thain, Don White, and Howard Waring.

All Little League games start at 6 p.m. at the Little League field behind the library. Games are played every Tuesday through Friday from May 17 till July 29. Everyone is welcome.

ACHS Golfers 3rd In Conf.

The Antioch High School golf team finished third in the Northwest Conference Golf Meet last Monday at Orchard Hills Country Club at Waukegan.

Antioch's four low scorers totaled 350 strokes. The winning Lake Forest team was low with 341, and Lake Zurich 348.

Other teams in the conference meet and their scores were Round Lake, 361; Grayslake, 361; Warren, 374; Wauconda, 377, and Grant, 378.

Antioch's Jerry Whitson was fourth in the conference scoring with an 84. Scores of other Antioch players were Fred Wittleder, 88; Don Mattoni, 89; Frank Roblin, 89; John Jedele, 91; Bruce Muir, 92; and Rod Miller, 100.

Girls Get Ready To Bell Ball

The Antioch Girls' Softball league is getting ready for the opening of the season. Only one thing is lacking for a big season—they don't have enough players.

Elaine Gallagher, one of the team members, says you don't have to be a female Mickey Mantle to join the league. All you need is a desire for some exercise and fresh air and a little enthusiasm.

So far, there are three teams in the league—The Antioch Darts, Casey's Tap and the Lake Villa Checkers. The girls hope to form five teams before the regular season starts. One of the teams in the process of formation is an Antioch High School team.

Any girls who would like more information on joining the league can call Elaine Gallagher at 395-4058.

Plenty Of Thrills Despite Bad Track

Odell Jones barely edged Dennis Burgan and fast-closing Ken Becker, at the end of 25 thrill-packed late model feature laps at the Waukegan Speedway Saturday night. Although week-long rains nearly halted action, the unfavorable and unusual track conditions did not hamper the skills of the top chauffeurs as all the races proved to be real thrillers.

It was a big night for the Waukegan compacts as every race, except one, was captured by the midget stock cars. Burgan's Vallant won a "sudden-death" run-off in the time trials against Dave Evans' full size Chevrolet. Butch Sadowski whipped his Rambler American past Norm Zenko's Buick in the seventh lap to

NICC Annual Dinner May 25

Officers of the Northern Illinois Conservation Club will be installed in office Wednesday, May 25, at the annual meeting and dinner party. Beginning at 6:30 p.m., both roast turkey and roast beef with all the trimmings, will be served family style, while a crooning troubadour entertains the diners.

Club members, their wives, friends and the public is invited to attend the affair which is being held in the newly completed main club room, and will also commemorate this milestone in the NICC's big step forward in its building program.

The regular May meeting will follow at 8 p.m. Reservations for the dinner should be made before May 22 and should be sent to the Northern Illinois Conservation Club, Postoffice Box No. 1, Antioch.

The NICC is located on Highway 173, three miles west of Antioch and is marked by a large sign at the turnoff on Country Club Road.

became shorter and squatter in shape. Hard thorn was discarded for the softer apple, pear and beech in the heads, and leather insets appeared in the faces. Hickory, which originally came from Russia and later from Tennessee, replaced ash in the making of shafts.

Just as the introduction of the more flexible hickory shafts in this period greatly improved the caliber of the play, so the new torque-resistant fiber glass shafts of present-day clubs promise to do the same. In fact, scientific tests conducted by engineers at Plas/Steel of Walkerton, Indiana, in conjunction with Johns-Manville, with machines that hit all balls the same way, every stroke, shows that clubs with fiber glass shafts drive the ball further and more accurately than those with conventional shafts. The Plas/Steel Co. was first to introduce unique shafts, called "glass-Lite" in which glass fibers are woven and then impregnated with plastic.

Lacking the unmatched suppleness and whip of fiber glass, 19th century golfers nevertheless broke record upon record. Allan Robertson, with hickory clubs and gutta percha (rubber-like) ball in 1848, club makers recognized the new strain on the thin clubs and changed their design.

Wooden heads gradually

win the opening heat race. Luther's full size Ford convertible won the second, then Clar Baldino's Falcon garnered third heat honors. Tim Seyl upheld Chevy II honors as he emerged victor in the exciting fourth heat. Jones' Fairlane later took the big cash by nabbing the feature; earlier he warmed-up with a trophy dash win.

Two mass pileups, a six car fracas in the first heat and a seven car scramble in the second, brought fans to their feet. A wild slide along the entire homestretch by Ray Dixon in the sixteenth lap of the feature started fans, then a slam-bang demolition contest rounded off the chilly evening.

Next Saturday will be the first big race of the season as all of the top late model stars battle it out in the 35 lap May Championship feature. There will be no increase in admission prices for this special program. Again, gates will open at 6:30 with the first race at 8:30.

Coin Show In Kenosha June 5

The Kenosha Coin Collectors Club will hold an all new \$100,000 Coin Show and Bourse Sunday, June 5th, from 10 a.m. until 7 p.m. The show will be held at the Midway Motor Lodge, 1800 60th street, Kenosha.

There will be exhibits on display, with four trophies being given for Best in Show, First, Second and Third place.

The Club will also have a Free coin appraisal table where the public may bring coins to have them graded and appraised.

There will be dealers Bourse, with 15 dealers present.

Admission will be free and this show is open to the public.

Bowling Party For Holy Name Members

The Holy Name Society of St. Peter's Church is sponsoring a Bowling Party at the Antioch Bowl on Saturday, May 21.

Bowling will start at 7 p.m. and prizes will be given for high and low series for men and women. After the bowling, the group will adjourn to Toni & Lill's for pizza.

Meat Shoot A Success

By Harry H. Stern

The recent Mothers Day shoot at the McHenry Sportsmen's Club was written into the records as a qualified success, when, in spite of the cold rainy weather, fifteen lovely mothers braved the elements to shoot as guests of the club, and carried home the meat as proof of their ability with the shotgun.

A good number of the gals who took part in the shooting did not qualify as free shooters because they were not yet mothers, but that did not deter them from competition.

In all, over fifty 5-man teams took part in the event and carted home steaks and chickens by the bagful. Considering that not a single shooter put in an appearance before 1:30 in the afternoon this must be considered an excellent turnout.

Two Blue Grass meat shoots have been scheduled for scatter-bore fans, the first one coming off on Sunday, May 22, starting at 10 a.m., the second section of this shoot being set for Sunday, June 12. In between, a Jackrabbit shoot has been slated for Saturday, June 4, starting at 2 p.m., with entries to be in by 1 p.m.

In response to popular demand, trap officers will hold a Jackrabbit shoot on the first Saturday of every month, for the balance of the current shooting season.

Hot refreshments and shells will be on tap all day in the warm clubhouse, which is on the west side of Pistakee Bay and can be reached through Johnsonburg from the West, and via Route 134 from the East.

Dinner Meeting of Lake County Realtors

A dinner meeting at the Adria Restaurant will "kick off" Realtors Week for the Waukegan-Lake County Board of Realtors.

Dinner will start at 7 p.m. Guest speaker will be Orville W. Sotabeer of Minneapolis. Subject of his talk will be "Putting More Money into the Sales Person's Pocket."

The hours between 4 and 6 p.m. are the time of day when accidents are most likely to occur in the home.

Schedule Civil Service Exam

Congressman Robert McClory (R. Lake Bluff) has announced that a qualifying Civil Service examination will be conducted on Monday, July 11, for all eligible young men interested in being appointed to the United States Air Force, Merchant Marine, Military and Naval Academies for the classes entering in 1967.

The examinations will be conducted at Waukegan, Woodstock and Elgin. High school juniors and other qualified young men should write now to: Congressman Robert McClory, 1123 Longworth House Office Building, Washington, D. C. 20515.

Note found under a windshield wiper: "I have just smashed into your car. The people who saw the accident are watching me. They think I am writing down my name and address. They are wrong."

DANGERS OF SELF-MEDICATION

Think twice before you treat an ache or pain yourself.

Even the most innocent-looking remedy can be harmful unless administered under a doctor's supervision.

MULTIVITAMINS, for example, contain a wide variety of nutrients that can mask serious organic disorders such as pernicious anemia. And excess amounts of certain vitamins can create stomach trouble, skin problems and even result in pressure on the brain.

TRANQUILIZERS can cause trouble too. Should you share someone's tranquilizers, you are flirting with peptic ulcer, mental depression severe enough to induce suicide and a number of other serious problems.

PEP PILLS may also lead to serious consequences. For after that temporary "lift" wears off, your reflexes may be so poor you could misjudge distances while driving and risk an accident. If taken in heavy doses or for long periods, pep pills can become habit forming, leading to over-exhaustion and eventually, physical collapse.

SEDATIVES AND SLEEPING PILLS—when used unsupervised—can lead to addiction too, and in time cause both psychological and physiological damage.

ANTHISTAMINES, while

mildly beneficial for allergies and hay fever, can cause extreme drowsiness, making it dangerous to drive or operate machinery. Prolonged use can prove harmful to both your nervous system and mental processes. An overdose can lead to convulsions, delirium, shock and even death.

BROMIDES, a prime ingredient of a popular "fizzing" headache powder, is a notorious aggravator of acne. In heavy doses, it can accumulate in the body and lead to bromide intoxication—a cause of mental illness in almost 10 per cent of those admitted to mental hospitals.

LAXATIVES sometimes contain a coal tar derivative called "phenolphthalein" that also aggravates acne. Many may interfere with the absorption of vitamins and other food elements. What's more, they can mask serious ailments that are the underlying cause of constipation.

REDUCING PILLS, over a long period, can be a source of serious psychological reactions and frequently lead to agitation and restlessness. Almost all of today's drugs, when used indiscriminately, can prove disastrous. So if you're a self-medicator who tries to cure yourself and others, whatever you do, HANDLE ALL DRUGS WITH RESPECT!

Use low beams when you drive in fog.

Install Officers Of Boy Scouts

Officers for the coming year were installed at the annual Dinner Meeting of the Northwest District of the Boy Scouts. The meeting was at Mundelein High School, Wednesday, April 27.

Officers installed were Harold Sandberg, Mundelein, District Chairman; Norman Schaper and Robert Wright, Libertyville, vice chairmen; Jack Forney, Libertyville, District Representative to the Council; and Robert Barr, Libertyville, District Commissioner. Trailblazer Awards were given to Sigmund Janiszewski, Round Lake; J. Franklin Reamer, Mundelein; Vincent C. Baldwin, Libertyville; Arthur Gjertsen, Fox Lake; George Galetti, Round Lake Heights; and Robert S. Ombdenstock, Mundelein.

Ray Whittaker of the North Shore Area Council presented the "National Breakthrough for Youth" award to the Northwest District for having more than the required increase in Scouting membership and organization of new Scout units.

Run Out of Savings

Trying to sell a housewife a home freezer, a salesman pointed out, "You can save enough on your food bills to pay for it."

"Yes, I know," the woman said, but you see we're paying for our car on the carfare we save. Then, we're paying for our washing machine on the laundry bills we save, and we're paying for the house on the rent we're saving. We just can't afford to save any more right now."

Busy Schedule For Student Council Week

From April 25th through the 29th, the Student Council more or less took over running and scheduling the activities at Antioch Community High School. This week has been traditionally designated by the school as Student Council Week. The program of events was scheduled as follows:

Monday—D-Day (allas Dress down day). On this day, the students received a pleasant change of pace as the grooming code was disregarded for this once-a-year day of very casual dress. Monday also marked the beginning of the campaigning for all students running for class and student council offices. D-Day always seems to provide these campaigns with the necessary spark to start the race into motion.

Tuesday, in contrast to the day before, was Dress-up Day. Every student dressed up in his or her "Sunday-go-to-meetin'" clothes, and went to hear the candidates make their speeches as they rivaled one another for political positions.

The more formal atmosphere not only added to the

seriousness of the campaign talks, but also aided calming down the student body from the rather carefree attitude of Monday.

Wednesday, April 27th, was the hour of decision for the school's politicians. It was Election Day. The middle of the week was filled with tension as the entire student body displayed democracy in action as they entered the poll booths. This was one instance where nearly 100 per cent of the voting body showed up. Let's see the adults beat that! Thursday was the moment of glory for those candidates fortunate enough to claim a victorious campaign. It was on this day that the winners were announced and installed before an all-school assembly. This was their hour of triumph!

The busy week was drawn to a close with Eighth Grade Day and the new Teacher Recognition Day on Friday. Brief classes were held for the High Schoolers in the morning and the entire afternoon was devoted to a program for the prospective Freshmen of 1966-67.

This occasion provided eighth graders with a surrounding grade schools with a golden opportunity to meet teachers and student leaders, tour the school, and become acquainted with a new set of customs and regulations.

Teacher Recognition was a sort of an apple-for-the-teacher day, but without the apple. It proved to be quite a challenge for some students, as the report cards were distributed the day before. The Student Council was determined to get things started, and as a little extra insurance was well as gratitude, they issued a rose to each faculty member to wear in their own honor.

While the entire Student Council worked to organize and carry out this week of special activities, additional recognition is in order to the following senior members of the Council who planned and worked the entire election procedure: Betty Frank, treasurer; Janet Sheehan, secretary; David Chandler, vice president; Tom Blackman, senior class president; and the following senior representatives:

Millburn Hornets Hear Safety Talk

Gilbert Clem, teacher at Warren High School, spoke to the Millburn Hornets 4-H Club at their meeting held at Millburn School on May 9. Mr. Clem spoke on "Safety" and told of many farm accidents and ways to help prevent them.

Talks were given by Jerry Ensign on "The Electric Current," Ann Fetting on "Different Kinds of Trees in the United States," Paul Paulsen on "How to splice a Wire Together," Steve Bonner on "How electricity Can become an Enemy" and Richard Olson on "Rocks."

Diane Walker reported on the county "Share-the-Fun" contest held last week at the Farm Bureau Auditorium. The Millburn Hornets act received a green participation ribbon and Diane Walker was chosen as alternate Master of Ceremonies to go to the State Fair. The president announced the dates of the County demonstration, judging and public speaking contest. The club's farm meeting will be held June 13, at the Doolittle farm.

Collect 600 Pints in "Bleed-In"

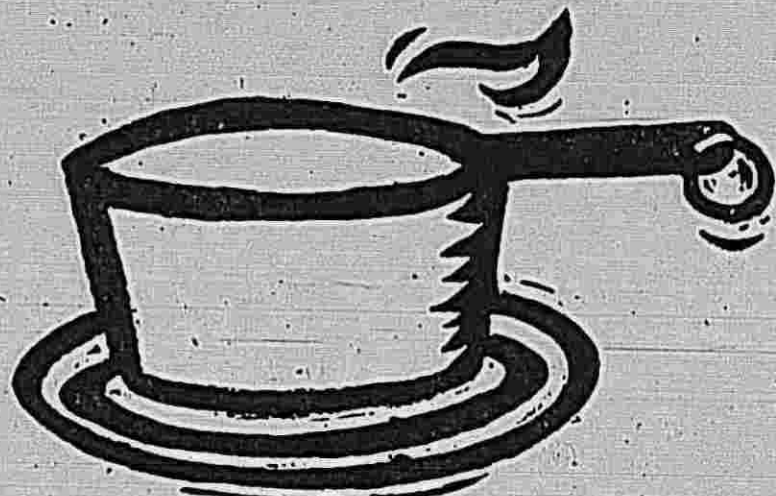

Northern Illinois University students and DeKalb residents donated a total of 600 pints of blood during a two-day "bleed-in" held on the campus. Among the donors were about 100 DeKalb area residents. Two DeKalb firms, Wurliizer Co. and the DeKalb Agricultural Association, gave employees who donated blood a half-day off from work. The NIU-DeKalb drive is part of a nationwide campaign by the American Red Cross to fill a U.S. Defense Department request for blood components for servicemen fighting in South Vietnam.

Isolated buildings are in more danger of lightning damage than city houses.

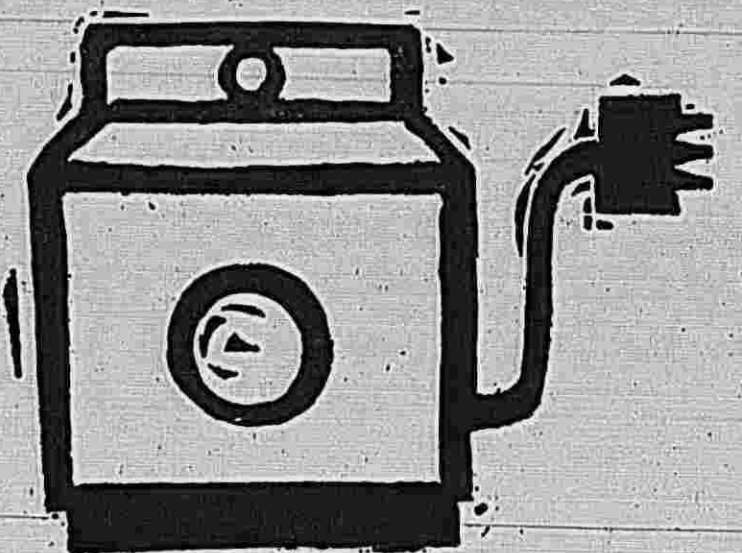

Linda Brown, Pat Cunningham, Don Anderson, and Del Church.

By the way, did you know that Antioch is already beginning to give way to automation in the schools? That's right... The High School is going to have a Computer Dance on May 27th.

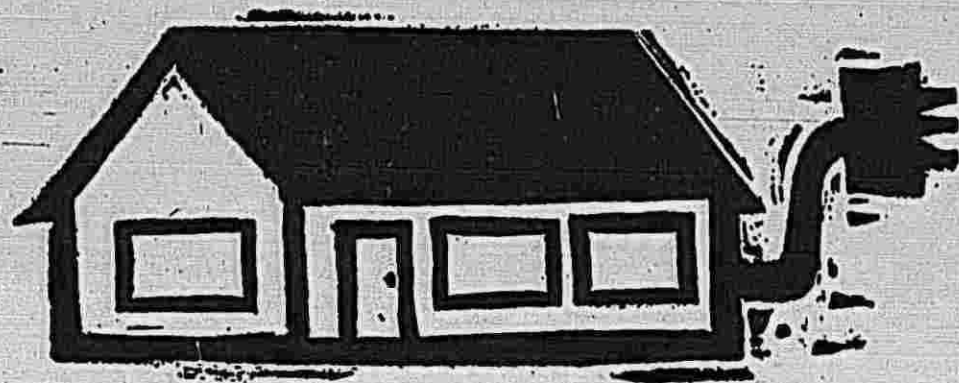

Only electricity

cooks your food

dries your clothes

heats your house

with the same kind of pure radiant heat you get from the sun

Whether for cooking, clothes drying, or heating your house, electricity does the job best. Does it with pure, radiant, flameless heat. Heat that's gentle to delicate fabrics. Heat that's controlled to make you a better cook. Heat that's flameless to keep your whole house cleaner, more comfortable. Only modern electricity does these jobs for you with the same kind of pure, radiant heat you get from the sun.

Lindenhurst News

By Mrs. Bernice Barnau

Woman's Club

Twenty-nine members and thirty children attended the Annual Mother and Daughter night last Thursday arranged by the Lindenhurst Women's Club.

The Club will be represented in the Memorial Day parade in Lake Villa.

Joanne Dotson was a guest and Lou Wollard joined the club.

Pat Mauck reported that the ladies are still working on the bus survey to Waukegan. Residents are being called to answer whether they would use the bus and how often.

Millie Caldwell, chairman of the clothing resale held earlier in the evening, reported that \$11.60 was made.

Nancy Kleffner reported that \$145.07, was made on the Rummage Sale held last week.

Esther Sokup and Gloria Mohar are co-chairmen of the

Marion Award for Girl Scouts. Birthday ladies were Joan Bargilano, Joy Manuel, Shirley Mertest and Lillian Peterson.

The ladies voted to have the June meeting at the Angels Restaurant. Barbara Hendrickson is taking reservations.

Hostesses were Helen Guzik, Barbara Hendrickson, Dorothy Kovanda, Shirley Mertest, Mary Zanc and Annette Hoffman.

Pat Mauck was chairman and Joy Manuel, Eve Swanson, Betty Ireland and Millie Caldwell were on the committee for the party held earlier in the evening.

St. Mark Lutheran Church
Mrs. Ray Rathmann encourages parents to register their children as soon as possible for Vacation Bible School. Extra blanks are available at the church. It begins at 1 p.m. on June 8. After the first day, sessions will be from 9:00 a.m. until 11:45 a.m.

Court of Honor
Boy Scout Troop 84 will hold a Court of Honor Parents Night on Monday, May 23 at

7:30 p.m. at the Lindenhurst Civic Center.

Skits and scouting demonstrations of Scout skills will be presented, plus awards to boys who have earned them the past three months.

Court of Awards

Junior Girl Scout Troop 269 held a Court of Awards at last Thursday's meeting. Jeanie Kleffner received a Foot Traveler and Hospitality badge. Pat Mohar, Cook, Collector, Home, Health and Safety, My Home, and Musicians badges. Karen Nelson, My Troop badge. Judy Sokup, Magic Carpet badge. Jean Flanagan, Housekeeper and My Troop badges. Jeanie Kleffner and Pat Pearce each received a Membership Star for being in Scouting five years.

Patricia Mohar, Susan Dolsat and Karen Restarski were invested into the Jr. Girl Scouts in a candle lighting ceremony. Ten girls each lit a candle and all the girls repeated the laws of scouting after each candle was lighted. Mrs. Hetty Nauer and Mrs. Jean Saran, co-leaders pinned the World Association pin and Girl Scout pins on the girls. Mrs. Lois Flanagan is the leader of the troop. Refreshments of cookies and Kool-ade were served.

Undergoes Surgery

Mrs. Minnie Ciancio was operated on recently at Victory Memorial Hospital to have a cataract removed from her eye. She is recuperating at home. Mrs. Ciancio is the sister of Mrs. Jennie Volpen-testa.

Troop 212 Mother-Daughter Banquet

All 28 mothers of the 31 girls in Junior Girl Scout Troop 212 of Venetian Village attended the annual Mother-Daughter banquet last Wednesday evening at the Venetian Village Civic Center.

Mrs. Barbara Mitchell, leader of Troop 212, introduced their honored guests, who were: Mrs. Ethel Moore, president of the Venetian Village Women's Auxiliary, sponsor of the troop; Mrs. Dorothy Derderian, outgoing Sequoyah Neighborhood chairman, and now the vice president of the Lake View Council; Mrs. Birgit Gibson, the incoming Sequoyah Neighborhood chairman; Mrs. Doris Surrock, former troop organizer and now vice chairman; Mrs. Alta Henry, Troop Consultant; and Mrs. Bernice Barnau, Linden-hurst correspondent.

Mary Krewer was mistress of ceremonies for the program the girls presented.

Mrs. Mitchell introduced

Date Set For Used Book Sale

An annual event, the used book sale for the purpose of buying new books of the Brandeis University Library has been scheduled for May 22 to 26 from 10 a.m. to 10 p.m.

The sale is held in a circus tent on the parking lot at Eden's Plaza in Wilmette. Over 2,000 boxes of books will go on sale.

A preview sale will be held May 21 at 7 p.m., to which admission will be charged. For the rest of the sale, admission is free.

The Chicago Motor Club says that when your headlights are set too high they send a dangerous glare into the eyes of oncoming drivers, but they cut down on your own visibility range. It is essential that you have your headlights checked and adjusted periodically.

Lolly Caraher, who has been her co-leader for the past 4½ years, and is now resigning, but will continue working with the troop as a Committee Mother.

Mrs. Mitchell also introduced her new co-leader, Mrs. Maxine Forester; Mrs. Marcella McCarthy, also a co-leader, and Mrs. Vicky Pleviak, committee mother.

Birthdays

Birthday greetings to Virginia Skrznecki, Jimmy Fabry, Dave Fabry, Gary Loblillo, Charles Hauber, Jr., Pamela Brown, Joy Manuel, Shirley Mertest, Lillian Peterson, Joan Margilano, Tony Drago, and Sandra Taylor.

Anniversaries

Congratulations are in order for Ed and Rose Wierzbicki on their 32nd wedding anniversary. Also Mr. and Mrs. John McGreevy on their 27th; Ed and Dorothy Langbein on their 25th; also Dick and Mary Soby on the 23rd of May.

Attend Dinner

Ed Bernau, Bill Wilhelm of Venetian Village and George Allen of Lake Shangri-la, Wis., attended the Stewart-Warner Quarter Century Club banquet recently at the Pick-Congress Hotel in Chicago.

Dinner Outing

Twenty-nine members of the Venetian Village Women's Auxiliary enjoyed dinner at the Angels Restaurant in Trevor, Wis., last Tuesday. The dinner is a reward to the members for having attended at least five meetings, out of the ten held during the year.

In Service

Ronnie Biaggi of Timber Lane and John Ingoglia of Grand Avenue are both being processed at Fort Leonard Wood, Mo. The Lindenhurst boys left here last Wednesday to go into service.

Installation Dinner

The Lake Villa Women's Club held their installation Dinner at the Waukegan Inn earlier this month. Installed as president, by past president Mrs. Paul (Ruth) Bocox, was Mrs. Fred (Elaine) Teltz. Other officers installed were Mrs. William Green, vice president; Mrs. John Meyer, recording secretary; Mrs. Edward Norwick, corresponding secretary; and Mrs. Phillip Wagner, treasurer. A smorgasbord dinner was enjoyed. Fourteen ladies attended.

CUB SCOUT PACK 192

Cub Scout Pack 192 held its monthly meeting at 7:30 p.m. on April 28 at the Antioch Scout House.

Den 2 presented the Flag ceremony. Art Meyer and Brinson Perkins were color guards.

Den 1 made "April Shower" hospital favors for Victory Memorial and County Hospitals.

Den 3 presented a skit "Nature Around Us." The theme for the month of April was "Mother Nature's Back Yard."

Cub Master Hellstern and Gordon DeBoer presented awards. Jim Parker received a Wolf Badge. Jeff Schmidt, Bill Petty and Phil Lindberg earned silver arrows. Gregg Kennedy earned two silver arrows.

John Melhorn earned ass't. denner stripes.

Joe Renfro, Tim Horton and Kent Barlow received year pins.

The May Pack meeting will be an Indian Pow-wow. The Cubbers will be making parts of their Indian costumes at Den meetings. Members of the Cubbers' families may come in Indian costume, too.

Scout-O-Rama was held at the Lake County Fairgrounds Saturday, May 14. Each den worked at the Pack booth during the afternoon.

District Round Table was held Wednesday evening in the Methodist Church hall.

A kite Derby was held April 14 at the Scout House. Inspection was held at the April Pack meeting.

A Lad and Dad hike and cook-out is being planned for June.

The leaders of Pack 192 attend the Northwest District annual meeting and dinner at the Mundelein High School on Wednesday, April 27.

The Chicago Motor Club reminds drivers leaving on vacation trips to give their cars a thorough servicing by reliable mechanics. A pre-vacation check of your car will go a long way toward insuring a pleasant holiday.

how good are A&P frozen vegetables?

Read on... you be the judge.
The best vegetables are Grade A.
Every package of A&P Brand Frozen Vegetables is Grade A.
Pick up a package.
You'll see "Grade A" is printed on every wrapper.

Do you have a different brand in your freezer?
Check it. See if it's labeled Grade A.

Surprised at the quality of A&P Brand Frozen Vegetables?
Not if you're an A&P shopper.
After all, it does bear the A&P seal.

What more is there to say?
Just this.
You won't believe the prices... they're so low.

Are A&P Brand Frozen Vegetables a good reason for shopping A&P?
They're one of many.
P.S. There are exceptions.
Potato Morsels, Cottage Fries, Whole Peeled Potatoes.
That's because today there are no standards for Grade A on these items.
But don't worry. There are none finer.
